

## Current Position

*Assistant Professor of Reproductive Health*

## Education

Grade	University	Country
BS of Midwifery	Kermanshah University of Medical Sciences (KUMS)	Iran
MSc of Midwifery	Ahwaz Jundishapur University of Medical Sciences (AJUMS)	Iran
PhD of Reproductive Health	Tehran University of Medical Sciences (TUMS)	Iran

## ADDITIONAL SKILLS And Research Interests

- ❖ *Clinical trials*
- ❖ *Qualitative research*
- ❖ *Quantitative research*
- ❖ *Systematic review and meta-analysis*
- ❖ *Mixed methods*
- ❖ *Education research*
- ❖ *Validity and reliability instruments*

## Thesis

- 1. The Analgesic Effect of Transcutaneous Electrical Nerve Stimulation (TENS) on Caesarean under Spinal Anesthesia*
- 2. - The Mother's Perception and Experience of Childbirth Violence, Developing and Psychometric of Tool: A Sequential Exploratory Mixed Methods Research*

## CONTACT

**Address:**  
*Ilam University of Medical Science, Faculty of Nursing & Midwifery, Ilam, Iran.*

**Email:**

Title of Project/ Proposal	Place	Current condition of project/ proposal	Year
<i>Assessing the effect of oral propranolol on the course and outcome of labor in nulliparous women with prolonged pregnancy of Mostafa Khomeini hospital in Ilam city during 2008</i>	<i>Ilam</i>		<i>2007</i>
<i>Studying the effect of increasing the volume of intravenous fluids on the course and outcome of labor in primiparous women referred to Mustafa Khomeini Maternity Hospital in Ilam during 2008</i>	<i>Ilam</i>		<i>2007</i>
<i>Comparative study of the effect of Celecoxib and Ibuprofen on primary dysmenorrhea</i>	<i>Ilam</i>		<i>2008</i>
<i>Comparison of the efficacy of Ibuprofen and Celecoxib on the intensity of perineal pain following episiotomy nulli parous women referring to delivery ward of Shahid Mostafa Khomeini hospital, Ilam city</i>	<i>Ilam</i>		<i>2008</i>

<i>Effects of Education on The Knowledge and Action of The Married Men Working at Health Canters of Ilam Regarding Their Contribution to Family Planning in 2008</i>	<i>Ilam</i>		<i>2008</i>
<i>Studying the level of participation and willingness of nurses to participate in decision-making from their perspective in hospitals of Ilam University of Medical Sciences in 2009</i>	<i>Ilam</i>		<i>2009</i>
<i>Assessing sexual function and associated factors in women of Ilam in 2010</i>	<i>Ilam</i>		<i>2009</i>
<i>Comparative effect of cinnamon and Ibuprofen for treatment of primary dysmenorrhea</i>	<i>Ilam</i>		<i>2012</i>
<i>Evaluating the Midwifery students' live experiences of the Objective Structured Clinical Examination assessment process: a phenomenological study</i>	<i>Ilam</i>		<i>2012</i>
<i>Comparative study of the effect of sevoflurane and propofol on hemodynamic changes and complications after laminectomy in patients referred to Imam Khomeini Educational and Therapeutic Center in Ilam in 2015</i>	<i>Ilam</i>		<i>2015</i>
<i>Investigating the effect of a sexual education package on the level of sexual knowledge, belief, and performance of women of reproductive age - a randomized controlled trial</i>	<i>Ilam</i>		<i>2015</i>
<i>The Comparison Effect of Propofol and Ketamine On complications after Cesarean Section under Spinal Anesthesia</i>	<i>Ilam</i>		<i>2015</i>
<i>The Comparison Effect of general anesthesia verses spinal on outcome of laminectomy</i>	<i>Ilam</i>		<i>2015</i>
<i>Predictive factors of preterm labor in women referring to public and private centers of Obstetrics and Gynecology Ilam in 2016</i>	<i>Ilam</i>		<i>2016</i>
<i>- Investigating the effect of a multimodal approach to analgesia using gabapentin (Anticonvulsant) and celecoxib (Cox 2) on pain and complications after knee replacement surgery</i>	<i>Ilam</i>		<i>2016</i>
<i>Effects of acupressure sanyinjiao (SP6) and Hugo (LI4) points on the labor duration and laborpainintensity by systematic review and meta-analysis method</i>	<i>Ilam</i>		<i>2018</i>
<i>Investigating the effect of cognitive counseling based on mindfulness (MBCT) on psychological well-being and choosing the type of delivery in pregnant women who referred to childbirth preparation classes at Ayatollah Taleghani Hospital in Ilam city in 2022</i>	<i>Ilam</i>		<i>2022</i>
<i>Investigating the effect of bupivacaine and ropivacaine on maternal and newborn parameters in caesarean section mothers, a systematic review and meta-analysis of clinical trial studies</i>	<i>Ilam</i>		<i>2022</i>

<i>Assessment Maternal Care Quality from viewpoints of Service provider and receiver and providing ways to improve it in the Maternity Ward in Ilam city hospitals in 2023</i>	<i>Ilam</i>		<i>2023</i>
<i>The effect of educational intervention based on extended parallel process model to encouragement of housewives in Dehloran city to perform Pap smear</i>	<i>Rafsanjan</i>		<i>2023</i>
<i>Exploration the Barriers and Facilitators of Implementing Electronic Logbooks from the Viewpoints of Faculty Members and Students of Ilam University of Medical Sciences</i>	<i>Ilam</i>		<i>2023</i>
<i>Investigating the effect of Corosurf and Brexsurf in the treatment of respiratory distress in premature infants, a systematic review and meta-analysis of clinical trial studies</i>	<i>Ilam</i>		<i>2022</i>
<i>Pregnant mothers' lived experience of gestational diabetes: a Interpretative phenomenological study</i>	<i>Ilam</i>		<i>2023</i>
<i>Investigation of the Childbirth Violence and Associated Factors in Maternity Ward in Kashan city in 2024</i>	<i>Kashan</i>		<i>2024</i>
<i>Investigating the status of sexual self-care and factors related to it in women of reproductive age referring to health centers in Ilam city in 2024</i>	<i>Ilam</i>		<i>2024</i>
<i>The effect of high protein night snack consumption on the glycemic response and the level of blood insulin in GDM female subjects</i>	<i>Ilam</i>		<i>2024</i>
<i>Evaluation the relationship between childbirth violence and risk of postpartum depression in mothers referring to health centers in Ilam city in 2024</i>	<i>Ilam</i>		<i>2024</i>
<i>Comparison of the effect of pressure on Sanynjiao (SP6) and Gallbladder21(GB21) points on labor pain intensity in primiparous women</i>	<i>Kashan</i>		<i>2024</i>
<i>Investigating the relationship between learning styles and mental vitality in nursing and midwifery students of Ilam University of Medical Sciences in 2024</i>	<i>Ilam</i>		<i>2024</i>
<i>A comparative study of ovarian volume and fertility characteristics among women with normal anti-Müllerian hormone levels and women with abnormal anti-Müllerian hormone levels and suffering from polycystic ovary syndrome in Ilam in 2025</i>	<i>Ilam</i>		<i>2025</i>
<i>Prediction of quality of life in women with gestational diabetes based on health literacy and self-care behaviors in clients referring to health centers in Ilam city in 2025</i>	<i>Ilam</i>		<i>2025</i>

## *Membership*

### *Executive Positions and Membership*

- ❖ *Head of the Midwifery Department in Ilam University of Medical Sciences (since 2013 -2015).*
- ❖ *Deputy for Educational and Research Affaires of the Nursing and Midwifery Faculty (since 2014 - 2017).*
- ❖ *Director of Educational and Graduate Studies at the Ilam University of Medical Sciences (since 2022 -2025).*
- ❖ *Member of the University Educational and Graduate Studies Council at the Ilam University of Medical Sciences (since 2022 - 2025).*
- ❖ *Member of the Council of Directors of the Vice-Chancellor of Education of Ilam University of Medical Sciences (from 1401 to 1404).*
- ❖ *Member of Research committee in faculty of Nursing and Midwifery, Ilam University*
- ❖ *Member of Research Finance Committee of the School of Nursing and Midwifery*
- ❖ *of Medical Sciences (since 2011 to 2017 and2022).*
- ❖ *Member of Research Committee of the Non-Communicable Diseases Research Center in Ilam University of Medical Sciences (2022).*
- ❖ *Member of educational committee in faculty of Nursing and Midwifery, Ilam University of Medical Sciences (since 2013- 2017 and 2022-2025)*
- ❖ *Member of Academic Committee on Maternal Deaths (2013-215).*
- ❖ *Member of Academic Committee on promoting normal vaginal delivery (2013-215).*
- ❖ *Member of Educational Committee on Physiological delivery (since 2013 -2018).*
