

Department of: Faculty of Nursing and Midwifery
Ilam University of Medical Sciences
Ilam, Iran

Specialty : Ph.D in Reproductive Health

Scientific Level: Assistant Professor

First name: Ashraf

Last name: Direkvand-Moghadam

Address : Faculty of Nursing and Midwifery
Ilam University of Medical Sciences
Ilam, Iran

Work (Address for correspondence):

Tel:0098-8432227134

E-Mail:direkvand-a@medilam.ac.ir

Educational background:

Level	Description	University	Years	Thesis
Ph.D	Reproductive Health	Ilam University of Medical Sciences	2016	Quality of life in infertile menopausal women; Development and psychometric of an instrument

RELEVANT WORK EXPERIENCE:

Place	Position	University	Years
Ilam,Iran	Faculty Member	Ilam University of Medical Sciences	Since 2007

TEACHING EXPERIENCES:

Level	Position	University	Years
Ms	Teacher	Ilam University of Medical Sciences	Since 2007
G.P	Teacher	Ilam University of Medical Sciences	Since 2015

Publications

1. The pregnancy process, from fertilization to birth [Persian]

Ashraf Direkvand-Moghadam

Ilam university of medical science , 2011, 9789642722631

Research Interests:

Interest Item

Maternal and Child Health, Medical Concepts, Research Methodology and Statistics, Ethics in Medical Sciences

Selected Awards & Achievements

The Top Midwife through national selection by the Iranian Ministry of Health and Medical Education (Tehran, Iran, 1998 and 2008)

The Top University Researcher, Ilam University of Medical Sciences (2013, 2014,2015,2016, 2017 and 2018)
